PRESIDENT'S MESSAGE

April, 2018

It amazes me when you're young, time creeps along BUT when you're older time flies faster than you expect and that is exactly what is going on! As we move along on what I call our 100 day marathon, the Del Mar nationals are here this weekend and there are a number of members who are already there preparing for our arrival.

Are you going to Midnight at the Oasis in Yuma next year? Well registration is now open and due so mail in your registration as quick as you can. I want to thank our member Bob Harrington for working with Midnight at the Oasis personnel in shoring up 27 reserved parking spots so that we may all park together as a Club. I am sure glad that we are back on track with that show. Thank you Bob!!!!!!

As you all know, there is plenty of work to go around. There are still some open spots to work Del Mar so if you are already working, let Debra McDowell know that you are available for more shifts. Also there are still openings to work the STREAK if you are interested? Let some of the people chairing some of the duties know you are interested. If you're not at the meeting, be sure and email me and I will forward your request to the appropriate person who heads up a specific duty at the STREAK.

I want to thank each and every one of our volunteers who have offered their assistance and help to make our events the best they can be. Remember that we are all volunteers and have patience with each other as we move through Del Mar and on to the STREAK. Treat each other with respect and dignity. There will be mistakes made and small fires to put out in the background but when it is all said and done, we will have only each other in the end. Remember and I always say this and you are all tired of hearing it but you are the Club! It is the only the cars that bring us together.

Stay safe and drive defensively!!!!

Your President,

Sincerely, *Ralph Garcia*
