CRUISE NEWS

**PRESIDENT'S MESSAGE
MAY 2018**

After just coming from NSRA Bakersfield, I had a lot of flashbacks from the time when we all use to go to Bakersfield for the Western Street Rod Nationals. I remember when we had over 15 motor homes going and about 30 members driving their cars over and staying at the hotel. We use to sit at the corner across from the DJ (Wings). And OMG I remember the night cruise when the girls were out of control in Sharolyn's car! If I remember someone's bra was hanging out of the car, hmmm I wonder who's it was? That one year we had so many motor homes that we had a pot luck lunch for the members who drove to Bakersfield. It was a blast but I always say, things don't last forever! A lot of good memories as we move forward to create many more in this Club.

Don't forget, Joe P is having a Tech day for us on May 5th at 9am. Joe P will discuss the details at the Club meeting and I will resend the email again before the end of the week. El Cajon Cruise Nite on Wed is now happening and it was nice walking along the streets looking at the hot rods. I was passing out Streak flyers when I noticed our flyers already in all the cars and many thanks to the Jim and Denise Payne for taking care of that. They are truly team players. And let's not forget about Ramona's Cruise every Thursday. It's different and believe it or not, it's a real cruise. I love it and there's plenty of places to eat up on the mountain!!!

Shows are opening up and the Streak is finally here! No doubt the streak will be lots of fun all weekend. The Del Mar Nationals turned out to be a great time, many thanks to all who assisted in taking on the many tasks required. The weather was great, the crowds were plentiful and there were some idiots with funky hats driving a roadster. They should have thrown those guys out of the show.

I think you all know me by now and what I am all about when it comes to this Club. As you know, I am very open to all of you and should you have any problems or concerns. You can always catch me at a show, at a Club event or just email and/or phone.

Well remember to get out there with your car and enjoy the shows. If you're not at the meeting, we will see you at the STREAK. So take care of yourself and the ones you love.

Your President,
Ralph Garcia

Dear Over the Hill Gang, Our family is grateful beyond words for the beautiful horse drawn carriage my father Jesse Clark to his final resting place. We thank you for your generous contribution that made this service possible for so many.

With gratitude "The Clark Family" They enclosed a \$200.00 donation to Final Honor

Thank you so much for giving us and my Dad the honor of having the funeral carriage carry him to the service. The carriage was beautiful and a special touch in the service. My Dad was in the Army and served in Vietnam. He loved life, family, God and his country. All who knew him loved him. It is hard to let him go but I know I will see him again. Thank you again for making his service so special!

Diane Arbuthnot Castro for Frank Wayne Arbuthnot

Over the Hill Gang, San Diego, Thank you so much for the horse and carriage for our parents last "trip" together. It added a formal elegance that enhanced our short but profound service. The challenge coin will be added to our memorial along with the flag. Thank you again. Sincerely, Donna Kowalsky & Catherine Prario

Saying Thank you doesn't say enough for all you do. Myself and my family are more than grateful, the memorial was more than I could imagine. All those who helped blessed me and my Sons get through our loss. You deserve many blessings for what you do for our veterans. Love and Lord bless, Vera Porter

Over the Hill Gang, Words cannot truly express our deepest appreciation for your kind thoughtfulness in having the horse drawn carriage in attendance at our brother, David Kelly's memorial service on Monday, April 2. We were impressed and pleased as it eased his passing with not only us but to everyone in attendance. A great service and honor and thank you so very much. "The Kelly family, friends
