PRESIDENT'S MESSAGE

July, 2018

I would like to start my message off by saying Happy 4th of July! I know a lot of you are not in town or spending the 4th of July holiday with your families as families come first!. This is a tough month for gathering the gang together.

Of course, you know we are NOT having a July meeting because the meeting date falls on the 4th of July. I was looking at the July 2018 edition of Streetscene Magazine and read an article on 'Civility'. I found the article very interesting and would like to give you my own interpretation on this most important subject. Civility is defined as formal politeness and courtesy in behavior or speech such as "I hope we can treat each other with civility and respect". Other words come to mind as 'courtesy, courteousness, politeness, good manners, consideration, etc. You will notice that 'civility' is not really in the bylaws because it is implied we will treat each other with politeness and respect. This one word is what makes us good human beings. When people constantly interfere with others, disrespect others boundaries and generally don't care about others or what they are doing. That breaks down the simple core of teamwork because without teamwork, tasks become much more difficult to accomplish and confusion as well as failures set in. Just some food for thought!!!! June was a quiet month for the Club and I think everybody just wanted to relax from the daunting task of the STREAK and get their lives back on solid ground.

The After Streak Party will be on August 3rd at Bruce and Debra McDowell's place in National City. Be sure to pay attention to my email on the details. It looks to be a blast and many thanks to Bruce and Debra for putting this on.

Hope you found Craig Lakes (View from the Lake) an interesting view on how the Club started? Do you have an interesting story about the history of the Club OR some interesting story about a member in or from the past. Write the story and send it to me and I may use it on the next Newsletter.

Please be careful out there and drive safe!!!!

And God Bless America!!!!
